

The Ark High Holiday Collection Drive Digital Toolkit

Introduction

Thank you for helping promote Pack the Pantry and supporting The Ark's High Holiday Collection Drive. This digital toolkit includes ready-to-use materials to make sharing easy, including graphics, sample language, and helpful resources for your synagogue community.

By sharing these materials, you can help more people learn about the three ways to give, participate in a way that works for them, and support The Ark's pantries as we continue serving individuals and families across Chicagoland.

Three Ways to Pack the Pantry

Now more than ever, our community looks to The Ark as 1 in 5 Jewish households in the Greater Chicagoland area struggle to make ends meet. More than 3,400 Jewish individuals and families rely on The Ark's pantries in Chicago and Northbrook for kosher food, household essentials, and personal care items – up 20% over last year.

Food Security Fact Sheet

[The fact sheet](#) provides background information about food insecurity, SNAP, and the growing demand for The Ark's food pantry services.

Use it to help clergy, staff, board members, and communications teams explain why Pack the Pantry is needed. Information from the sheet may also be incorporated into newsletters, announcements, remarks, and social media posts.

Thank you for helping spread the word and stock The Ark's pantry shelves for individuals and families across our community.

THE Ark
התורה

This High Holiday season, your synagogue plays a crucial role in helping The Ark meet the growing need in our community. After a challenging year with SNAP reductions and rising costs, more individuals and families are turning to The Ark for help.

Your congregation can Pack the Pantry by donating dollars, shopping on Amazon, or collecting kosher food and household items our clients need most.

CHANGES TO SNAP IN ILLINOIS

- Nearly 1.9 million Illinois residents rely on SNAP.
- Strict work requirements effective on May 1, 2026 could reduce benefits to 120,000 SNAP recipients in Illinois.
- Over 2,500 Ark clients rely on SNAP benefits for food each month.

Community Impact Food Security

CLIENT IMPACT THIS YEAR

- More than 3,400 individuals received food through The Ark's kosher food pantries.
- 75% of Ark clients rely on our food pantries every month.
- Federal SNAP policy changes have impacted client financial stability.

GROWING NEED IN OUR COMMUNITY

More than 400 households visited The Ark's food pantries for the first time in the last year.	The Ark distributed 23% more food packages than the previous year.	20% increase in households used The Ark's pantries over the last year.
